Further Information About Your Donation

- In-kind transfers of **stocks or bonds** are normally completed within 10 working days after the authorization is received at the office of Royal Bank Investor Services (RBIS). If your donation is made near the end of the calendar year, the transfer authorization form must be received by RBIS **no later than December 10** to ensure that the transfer is completed by December 31 and the donation receipt can be dated in the current calendar year.
- In-kind transfers of **mutual fund units** **may take 20 or more working days** to complete. If your donation is made near the end of the calendar year, the transfer authorization form must be received by RBIS **no later than November 20** to ensure that the transfer is completed by December 31 and the donation receipt can be dated in the current calendar year.
NOTE: DUE TO SYSTEMS INCOMPATIBILITY ISSUES, RBC INVESTOR SERVICES CANNOT ACCEPT DONATIONS OF UNITS OF INVESTORS' GROUP MUTUAL FUNDS.
- Canada Revenue Agency rules specify that the value of your donation is equal to the market value of the shares at the close of business on the day the securities are received in ELFEC's investment account. You will receive an official donation receipt in this amount from ELFEC within 30 days.
- If you have directed that ELFEC pass on your donation to another charity, your donated securities will usually be sold as soon as possible after they are received by the foundation's investment manager. The brokerage sales commission and the ELFEC administration fee (\$125 plus \$25 per cheque issued to each additional beneficiary) will be deducted from the proceeds of the sale. The net amount will be sent to your charitable beneficiary within 30 days. Because of normal market fluctuations in the value of investments, the amount disbursed to your charitable beneficiary may be higher or lower than the amount on your donation receipt.
